WELCOME

We're delighted to have you with us.

Our beverage list reflects our appreciation for local craftsmanship and global excellence. We've thoughtfully sourced an array of outstanding ingredients and beverages, with a strong focus on showcasing the best of Victoria. Look out for the "VIC" symbol – it proudly highlights our favorite local gems from across the state.

We've also included a selection of cool-climate wines from Tasmania, alongside some of Italy and France's most iconic producers – a nod to our roots and a celebration of timeless winemaking traditions. To round out the experience, you'll find a handpicked range of premium international spirits and liqueurs – some of your favorites, and perhaps a few new discoveries.

So, raise a glass, explore the list, and savor every moment.

Carlton is part of the Traditional Lands of the Wurrundjeri Woi Wurrung peoples, who have cared and protected it for generations.

We pay our respects to the ancestors and elders and respect their history and continuous connection to the land.

B8 15

Bitter-sweet, carefully blended elixirs made from a mixture of extracts of roots, leaves, fruits, flowers and bark

The story of Beechworth Bitters began with Michael Ryan's passion for cocktails and herbal drinks. During lockdown, he had the time to start experimenting with amaro and cocktail bitters. His journey involved researching traditional recipes, selecting local ingredients, and creating unique blends. The result is a collection of bitter drinks that reflect the rich heritage of Beechworth and its surrounding Victorian High Country.

SAILORS GRAVE BREWERY, MARLO 3888

Sou' East Skipper Mid Strength Lager Down	14
Down She Gose – Seaweed and Seasalt Gose	16

Co-founders Gab and Chris Moore -Sailors Grave Brewing is named after a small cove in deep Sou'East Gippsland where Gab's family has a beach hut since the 1920s. It was a sandy shantytown with a pub set up in the dunes – the embodiment of freedom, community and wild merry making. All beer is based on water, yeast, malt, and hops, but the heart of Sailors Grave Brewing is the environment: beer inspired by the ever-present wind-swept coast, gathered bush botanicals, salt from the sea, wild yeasts from the Snowy Mountain River plains and the heady flavours of historical trade routes.

The goal is to make non alcoholic drinks that are interesting, well balanced and thoughtfully made. The intention is not to replicate alcohol, but make drinks that are 'deliciously complex' in their own right, using a combination of quality teas, herbs, flowers and fruit. All brewing, blending and ingredient sourcing is managed by Christina, in Melbourne. Beverages produced 1km away from the hotel.
